1. As you know, the DDCI will be traveling [redacted] He would appreciate your providing him background material for this trip by [redacted]

2. Please include data on the following:

- Station personnel and operations.
- Relationships with liaison, the U.S. Embassies (include bio sketches on the Ambassadors), and any other significant U.S. Government entities.
- Any gaps/concerns/issues.
- Any talking points you might suggest for any of his meetings.

3. We will also be asking the DDI for background information and issues they might want raised. As the schedule firms up, it would be helpful if your people kept their DDI counterparts advised so that they will be able to provide us bios and suggest talking points for the DDCI's meetings.
